

**Maths**—This half term the children will be learning about:

- Further work on Fractions
- Shape and Geometry
- Statistics

**English** We shall be looking at the following text types in English this half term:

- Write a classical poem
- Write a science-fiction story
- Writing instructions.

**Computing**

We will be continuing to learn about developing our own educational games.

**PSHE and RE**

We shall be learning about Christianity and the Christmas Festival.

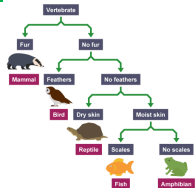

**PE**

We shall be continuing Swimming on Mondays until Christmas.

## Where in the World?

**Science**

- We will learn about how living things can be grouped in a variety of different ways.
- We shall also learn about classification keys.

**Geography**

We will be learning about the Seven continents of the world.

We shall research about various countries contained in each continent and important landmarks that can be found there.

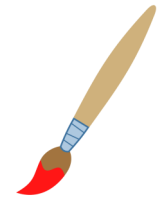

**History**

We will be studying how the continents have changed over millions of years. Our study may include plate tectonics and 'the ring of fire',

**Art and DT**

- Constructing models of landmarks e.g. Eiffel tower.
- Studies of significant artists from different continents.

**Music**

We will be continuing Clarinet lessons on Monday afternoons.
